With the last pages of the 1975 Merrimackan being sent to the publisher I feel a need to reflect over the development of the book. As the size of the staff rapidly dwindled it became obvious that those few but dedicated members who remained had a lot of hard work ahead of them. Fortunately, for those involved, they all pulled through.

Without the dependability of photographers Bob, Gary and Peter, the skillful artwork of Richard and Virgil, the determinism and perseverance of ad man Billy, the moral support of Kevin, and the time and services of Mr. J. Joseph Donovan of Wm. J. Keller and Mr. Larry MacLean of Stevens Studios I would have never been able to coordinate the 1975 Merrimackan.

This book is the combined efforts of a small group of students but we hope it reflects the feelings of the whole community.
